BALDUZZI CARMENERE

IT ALL STARTS IN THE VINE

In order to achieve high quality wines, one must first start by growing high quality grapes

Over the years we have found specific terroir within the Maule Valley, focusing on climatic advantages, soil and vine density, amongst other variables, to strategically plant each variety in its optimal location. The end result being excellent grapes and ultimately, amazing wines

TASTING NOTES

Intense violet color, spicy and sweet aromas such as pepper, strawberry and chocolate. Elegant and fruity, well balanced and round
