STANLEY ESTATE APOPO SAUVIGNON BLANC 2016

The 2016 Season will be remembered for being an early harvest, as a result of a warm summer and record low rainfall. Fruit cropping levels were about 10% above "normal" fruiting levels. Great flavours developed as the fruit matured, allowing us to pick the fruit in parcels as the blocks reached their optimum ripeness and maturity. The grapes were machine harvested at night when the fruit temperatures are lower to capture and maintain the fruit freshness.

After a gentle pressing, the juice was settled and racked to stainless steel tanks, where it went through a controlled fermentation using aromatic french yeasts. The wine then spent a good time on lees to add a real depth of flavour and palate weight to the wine.

TASTING NOTES

Our Apopo Sauvignon Blanc is a very aroma wine, fruit driven but technically dry. It has ripe zesty fruit flavours of white currents, grapefruit, passionfruit and gooseberries balanced by green tomato stalk and capsicum flavours. It has a beautifully balanced, long, palate.

It is 100% Sauvignon Blanc, Marlborough, New Zealand.

TECHNICAL DETAILS

GRAPE VARIETY : 100% Sauvignon Blanc

ALC : 13 %

ACIDITY : 7.65g/l

pH : 3.38

Tel : 603 6258 3530
Fax : 603 6258 5160
